Tourist Attractions:

Red Beach National Gallery

Heaven Pool

Volga Manor

PANJIN

- **Red Beach National Gallery** – Is famous for its landscape featuring the red plant of Suaeda salsa of the Chenopodiaceae family. It is based in the biggest wetland and reed marsh in the world. The landscape is composed of shallow seas and tide-lands.

SHENYANG

- **Ziyang Lavender Manor** – The world's larger lavender production places all in France, Hokkaido, in Japan, and China's xinjiangyili region, but shenyang and these places are on the same latitude, therefore suitable for large area planting lavender.
- **Siberia Tiger Park** – It was set up as a place to breed and house Siberian tigers. The Siberian tiger is the largest of the big cats. The breeding program has been very successful, and there are now about 800 Siberian tigers (about 100 can be viewed) there along with other large cats like lions and pumas. This is amazing, since in it is estimated that there are only about 500 Siberian tigers left in the wild.

JILIN

- **The Catholic Church (Pass By)** - It was built in the mould of classic Germanic Churches, a style that was first developed in France from 12th century and became popular in West Europe from the 12th century to 15th century.

CHANGBAISHAN

- **Changbaishan** – It is the first mountain in Guandong, which is famous for its beautiful scenery and charming view. And main peak of baitou peak is famous for the white stone and snow, which has a reputation with "One thousand snow accumulated snow straight forward to the heaven"
- **Heaven Pool (Subject to weather conditions)** – China's deepest lake-changbai mountain tianchi, located in the southeast of jilin province, is China and north Korea's boulder lake, north of the lake in jilin province, is the source of the songhua river.

HARBIN

- **Volga Manor** – Harbin southeast suburb of a Russian cultural theme park landscape, where large lawns and trees, as well as castles, Longbridge and many other Russian and European architectural sculpture, full of fascinating exotic. There has been the reconstruction of Harbin landmark manor - Church of St. Nicholas, which shows the site of numerous churches and related historical photos. Pavlov also ancient castle, Li Liya Palace, dozens of restaurants and other small birch reconstruction of Russian classical architecture. In addition, the unique architecture also regularly organize various artistic and cultural exhibitions can be visited within the "Pushkin salon."
- **Harbin Wanda Cultural Tourism City (Free & Easy)** - A 20-billion-yuan cultural tourism investment project located in Harbin. The project site includes a Wanda Mall, outdoor theme park, numerous hotels and a stage show. Wanda Harbin Mall will feature an indoor ski slope, indoor skating rink, stage show entertainment, a movie park and shopping mall. The mall's indoor skating rink is to be built in accordance with best-in-class international standards. It will stage world-class competitions.

Optional: Harbin Ice-snow World: RMB180 / Adult ; RMB150 / Child
