Po Nagar Cham Tower

Nha Trang Cathedral

Long Son Pagoda

### NHA TRANG

- **Long Son Pagoda** - Is situated on the foothill of Trai Thuy Mountain in the city of Nha Trang. The temple is famous for its large white Buddha image, which sits atop the mountain crest and can be seen from anywhere in town.
- **Po Nagar Cham Tower** - Commonly known as Thap Ba, the Po Nagar Cham Towers are a complex of temples erected approximately before 781 A.D. This complicated site belonged to the medieval principality of Khauthara, a small country near modern Nha Trang. The Po Nagar Towers are now situated on a mountain called Cu Lao, in downtown Nha Trang and next to Cai River.
- **National Oceanographic Museum** - That offers interesting exhibits of local marine life, including over 20,000 live and preserved marine specimens. Open to public since 1922, the institute also sponsors ongoing research and community projects, such as captive breeding programmes, preservation and regeneration of local coral reefs.
- **I-resort Hot Mineral Springs** - Where you can relax and cherished body immersion service luxury mud (Own Expenses), hot mineral and contemplate life in both traditional and modern architecture, a meditation space interspersed with characterized by rural Vietnamese village. (You can enjoy the mud bath by own expenses - 300,000 VND / Person)

### DALAT

- **Valley of Love** - Is one of the poetic beauty spots and always attracts the huge number of travelers from different corners of the country and all over the world. Beside, Valley of Love is surrounded by Da Thien Lake and pine forest which are always green all year round. The tranquil Da Thien Lake, which was built in 1972, also makes the valley more picturesque.
- **Linh Phuoc Pagoda** - The front of the pagoda is lined with meticulous sculptured pillars in the shape of flying dragons which were made from glass debris. A 4.8-meter-tall statue of the Buddha Sakyamuni is a striking work of art which sits between 12 glaze works in relief which respectfully illustrate the legend of the Buddha Sakyamuni.
- **Crazy House** - Described as a "fairy tale house". The building's overall design resembles a giant tree, incorporating sculptured design elements representing natural forms such as animals, mushrooms, spider webs and caves.
- **Dalanta Waterfall** - Datanla waterfall has a 20-meter drop and According to the legend. There is also a deep chasm called Dead Cave at its foot. Otherwise, taking the advantage of the waterfall, a native military in the war with the The Chams people took refuge and preserved their force, according to the legend.
